Becker's Wimbledon victories were particularly impressive, as he became the first unseeded player to win the tournament in the Open Era. In 1985, at the age of 17, he shocked the world by defeating Kevin Curren in the final. He followed that up with another Wimbledon title in 1986, this time defeating Ivan Lendl in the final. Becker's third and final Wimbledon title came in 1989, when he defeated Stefan Edberg in the final.

Becker's Wimbledon victories made him a global superstar. He was the face of the sport in the 1980s and early 1990s, and his matches were must-

see events. Becker's popularity was not just due to his success on the court, but also to his charismatic personality and his off-court antics.

Becker was known for his flamboyant lifestyle and his love of the nightlife. He was often seen partying with celebrities and models, and he was even romantically linked to a number of high-profile women. Becker's off-court antics sometimes overshadowed his accomplishments on the court, but there is no doubt that he was one of the greatest tennis players of all time.

In this unauthorized biography, James Tabor tells the full story of Boris Becker's life and career. Tabor has conducted exclusive interviews with Becker, his family, and friends, and he has uncovered never-before-seen photos and documents. The result is an awarts-all account of one of the most iconic figures in tennis history.
