Expert Manipulative Magic Of Advanced Sleights And Manipulations is divided into three sections:

- **Section 1: Sleights**
- **Section 2: Manipulations**
- **Section 3: Illusions**

Section 1: Sleights

This section introduces you to the basic sleights of hand that are essential for all magicians. You will learn how to palm coins, vanish objects, and control cards. These sleights are the foundation for all other magic tricks, so it is important to master them before moving on to the more advanced techniques.

Section 2: Manipulations

This section teaches you how to manipulate objects in a way that is both deceptive and entertaining. You will learn how to levitate objects, make objects disappear, and even read minds. These manipulations will amaze your audience and leave them wondering how you did it.

Section 3: Illusions

This section teaches you how to create illusions that will make your audience believe the impossible. You will learn how to make people levitate, disappear, and even change their appearance. These illusions are the pinnacle of manipulative magic, and they will leave your audience spellbound.

Whether you are a beginner or an experienced magician, **Expert Manipulative Magic Of Advanced Sleights And Manipulations** has something to offer you. With its clear instructions and detailed illustrations, this book will help you take your magic skills to the next level.
