About the Book

In *Full Circle*, author John Smith takes readers on a journey of discovery to two vastly different places: South Dakota and Samoa. Through his vivid descriptions and stunning photography, Smith brings these places to life, exploring their history, culture, and beauty.

Smith's journey begins in South Dakota, where he visits the Badlands National Park, Mount Rushmore, and the Crazy Horse Memorial. He learns about the Lakota Sioux people who have called this land home for centuries, and he explores the state's rich cowboy culture.

From South Dakota, Smith travels to Samoa, a group of islands in the South Pacific. He immerses himself in the Samoan culture, attending a traditional kava ceremony and visiting the Robert Louis Stevenson Museum. He also explores the island's lush rainforests and pristine beaches.

Full Circle is a beautifully written and visually stunning book that will transport readers to two of the most fascinating places on Earth. Smith's insights into the history, culture, and beauty of South Dakota and Samoa will leave readers with a new appreciation for these two unique places.
