Are you tired of hitting fat, thin, and bladed chips that ruin your scorecard? Do you want to consistently chip the ball close to the hole, giving yourself a great chance to make par or even birdie?

If so, then you need to read 'Keep It Simple Golf Chipping'. This comprehensive guide will teach you everything you need to know to master the art of chipping, from the basics of gripping the club to the advanced techniques used by PGA Tour pros.

With clear, step-by-step instructions and over 100 illustrations, 'Keep It Simple Golf Chipping' will help you to:

- Develop a solid chipping grip that will give you control and consistency.
- Master the proper chipping stance and alignment.

- Learn how to swing the club correctly for different chip shots.
- Control the distance and trajectory of your chips.
- Execute advanced chipping techniques, such as the flop shot and the bump-and-run.

'Keep It Simple Golf Chipping' is the ultimate resource for golfers of all levels. Whether you're a beginner who wants to learn the basics or an experienced player who wants to take your chipping to the next level, this book has everything you need to improve your game.

Who This Book Is For

'Keep It Simple Golf Chipping' is for golfers of all levels who want to improve their chipping. Whether you're a beginner who wants to learn the basics or an experienced player who wants to take your chipping to the next level, this book has everything you need to improve your game.

If you're tired of hitting fat, thin, and bladed chips that ruin your scorecard, then you need to read this book. 'Keep It Simple Golf Chipping' will help you to develop a solid chipping foundation that will give you the confidence to chip the ball close to the hole, every time.

Testimonials

"'Keep It Simple Golf Chipping' is the best golf instruction book I've ever read. It's clear, concise, and easy to follow. I've already seen a significant improvement in my chipping, and I'm confident that I'll continue to improve as I continue to practice the techniques outlined in the book.

- John Smith, amateur golfer

"I've been playing golf for over 20 years, and I've never been able to chip the ball consistently well. But after reading 'Keep It Simple Golf Chipping', my chipping has improved dramatically. I'm now hitting the ball close to the hole every time, and I'm making more pars and birdies as a result.

- Jane Doe, professional golfer
