

Rat Roads: One Man's Incredible Journey through America's Abandoned Underground

In the depths of America's forgotten cities, beneath the bustling streets and towering skyscrapers, lies a hidden world—a labyrinth of abandoned underground tunnels and chambers, known as rat roads. These subterranean passages, once bustling with life, now serve as a haunting reminder of the industrial past. But for one man, these forgotten paths offered an extraordinary adventure.

In "Rat Roads: One Man's Incredible Journey," author James Nestor embarks on a daring expedition into the heart of these subterranean realms. With only a flashlight and a camera, Nestor ventures into the darkness, driven by an insatiable curiosity and a desire to uncover the secrets buried within.
