Steve Irwin

Steve Irwin was born in Essendon, Australia, on February 22, 1962. He grew up on a small farm where he developed a love of animals at an early age. When he was nine years old, he caught his first crocodile. By the time he was a teenager, he was working as a crocodile trapper.

In 1991, Steve Irwin opened the Australia Zoo in Beerwah, Queensland. The zoo quickly became one of the most popular tourist attractions in Australia. Steve Irwin's charismatic personality and his passion for animals made him a beloved figure around the world.

Steve Irwin was known for his daring stunts and his close encounters with dangerous animals. He was also a passionate advocate for wildlife conservation. He worked tirelessly to protect crocodiles and other endangered species.

Steve Irwin died on September 4, 2006, after being pierced in the chest by a stingray barb while filming a documentary in the Great Barrier Reef. He was 44 years old.

Terri Irwin

Terri Irwin was born in Eugene, Oregon, on July 20, 1964. She moved to Australia in 1986 and met Steve Irwin in 1991. They married in 1992 and had two children, Bindi and Robert.

Terri Irwin has continued Steve's legacy of wildlife conservation. She is the CEO of the Australia Zoo and the founder of the Steve Irwin Wildlife Foundation. She has also written several books about wildlife and conservation.

Terri Irwin is a passionate advocate for wildlife conservation. She works tirelessly to protect endangered species and to educate people about the importance of conservation.

The Legacy of Steve and Terri Irwin

Steve and Terri Irwin left behind a lasting legacy of wildlife conservation. Their work helped to raise awareness of the importance of conservation and inspired millions of people around the globe.

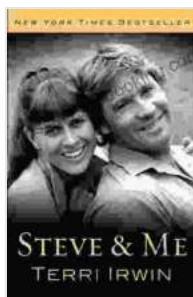

The Australia Zoo continues to be one of the most popular tourist attractions in Australia. It is a living tribute to Steve and Terri Irwin's love of animals and their commitment to conservation.

The Steve Irwin Wildlife Foundation continues to work to protect endangered species and to educate people about the importance of conservation. The foundation has funded numerous conservation projects around the world.

Steve and Terri Irwin were two of the most influential wildlife conservationists in history. Their legacy will continue to inspire and educate people for generations to come.
