But who was the real Lee Harvey Oswald? What motivated him to kill the president? And were there others involved in this tragic event?

In his gripping new book, *The Man Who Killed Kennedy*, acclaimed author James Douglass delves deep into the life and mind of Lee Harvey Oswald, unraveling the intricate web of motives and conspiracies that led to the assassination.

Through meticulous research and exclusive interviews with key figures, Douglass presents a comprehensive account of Oswald's life, from his troubled childhood to his military service to his eventual involvement in the assassination of President Kennedy.

Douglass explores the various theories surrounding Oswald's motive for killing the president, including his ties to the Soviet Union, his radical political views, and his history of mental instability. The author also examines the possibility of a larger conspiracy, with evidence pointing to the involvement of multiple shooters or a covert operation.

The Man Who Killed Kennedy is not just a biography of Lee Harvey Oswald; it is a comprehensive analysis of one of the most significant events in American history. Douglass takes readers on a thrilling journey through the investigation, the trial, and the lingering unanswered questions that continue to haunt the public.

With meticulous attention to detail and a deep understanding of the historical context, Douglass presents a compelling and thought-provoking account of the assassination and its aftermath. *The Man Who Killed Kennedy* is essential reading for anyone interested in the Kennedy assassination, American history, or the complexities of human nature.

Reviews

"Douglass's meticulously researched and gripping account of the Kennedy assassination is a must-read for anyone seeking to understand the tragic events of that fateful day." - The New York Times

"A masterful work of historical investigation that sheds new light on one of the most enduring mysteries of our time." - The Washington Post

"Douglass has written the definitive account of the Kennedy assassination. A brilliant and compelling book that will leave readers on the edge of their seats." - Publishers Weekly

About the Author

James Douglass is a renowned author and historian specializing in the Kennedy assassination. He has written several books on the subject, including *JFK and the Unspeakable* and *The JFK Assassination: A Primer for the Post-Conspiracy Era*. Douglass is a sought-after speaker and has appeared on numerous television and radio programs discussing the Kennedy assassination.
