

Travels With Doris: A Journey of Discovery and Delight

When Steve Michalik's elderly mother, Doris, was diagnosed with Alzheimer's disease, he knew that their lives would never be the same. But he also knew that he wanted to make the most of the time they had left together. So he decided to take Doris on a series of adventures, both big and small.

Their travels took them from the beaches of Florida to the mountains of Colorado, from the bustling streets of New York City to the quiet countryside of England. Along the way, they encountered a cast of colorful characters, had some hilarious misadventures, and made memories that would last a lifetime.

Travels With Doris is a witty and heartwarming account of a man's travels with his elderly mother. The book is full of funny anecdotes, poignant

moments, and insightful observations about aging, family, and the meaning of life.

A Journey of Discovery

When Steve and Doris first embarked on their travels, they both had their own expectations. Steve thought that the trip would be a way to give Doris some new experiences and to help her to forget about her Alzheimer's disease. Doris, on the other hand, was just happy to be spending time with her son.

As they traveled together, Steve began to realize that Doris was still the same person she had always been, even though her memory was fading. She was still sharp-witted, funny, and loving. And she still had a lot to teach him about life.

Through their travels, Steve also learned a lot about himself. He learned that he was more patient and compassionate than he thought he was. He also learned that it's never too late to have an adventure.

A Journey of Delight

Travels With Doris is not just a story about Alzheimer's disease. It's also a story about the power of love, family, and adventure. It's a story that will make you laugh, cry, and think about what's really important in life.

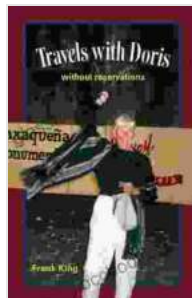

If you're looking for a book that will inspire you, warm your heart, and make you see the world in a new way, then I highly recommend Travels With Doris.

Praise for Travels With Doris

“Travels With Doris is a beautifully written and deeply moving memoir about a son's journey with his aging mother. Steve Michalik's writing is both funny and heartbreaking, and his story is a powerful reminder of the importance of family, love, and adventure.” — ****Ann Patchett, author of The Dutch House****

“Travels With Doris is a delightful and heartwarming read. Steve Michalik's story is a testament to the power of love and family, and it will stay with you long after you finish reading it.” — ****David Sedaris, author of Calypso****

“Travels With Doris is a must-read for anyone who has ever loved a parent. Steve Michalik's writing is honest, funny, and deeply moving. This book will make you laugh, cry, and think about what's really important in life.” — ****Cheryl Strayed, author of Wild****
